# Tips To Increasing Your Worth ...

1. Look for open doors – if you can't readily find them, open them yourself!
2. Capitalize on your transferable skills and identify the areas where you need to “fill gaps,” and work to fill them!
3. Be confident and put yourself out there!
4. Be patient.
5. Learn as much as you can about every aspect of your organization.
6. Take risks and never give up.
7. Don't underestimate yourself! New things always seem hard until you do them once.
